The terms and conditions set forth apply to the use of sales promotions, special offers, deals, savings or discounts (hereinafter referred as “promotions”).

At our discretion, Brock Doors & Windows Ltd. (hereinafter “Brock”) advertises special offers or promotions to consumers, such as free products, upgrades, discounts in service pricing or tax reductions.

Unless otherwise specified, the following limitations, restrictions or exclusions generally apply to the promotions advertised by Brock:

- All advertised promotions, unless otherwise specified, apply to installation projects only. Supply-only, cash and carry, stock or showroom purchases that exclude installation services provided by Brock are not included in promotions.

Offers are valid during the advertised promotional period only.
- Promotions cannot be combined with any other sale, *including but not limited to*, discounts, codes, coupons and/or any other offers. Promotions are not valid on prior purchases.
